

JOIN FIDDLEHEAD CENTER FOR THE ARTS SCARBOROUGH FOR OUR FIRST EVER

STEAM-A-THON!

A fun-filled virtual event to help us raise funds for our new outdoor learning & performance space.

Submissions Due by 5pm on May 31, 2021

ART

Art Challenge

Build a sculpture with recycled materials! The winner will be displayed at the Fiddlehead garden or at the Scarborough public library.

SCIENCE

Science Challenge

Build a weight bearing bridge entirely out of popsicle sticks! How much weight (measured in books!) can your bridge handle?

MUSIC

Music Challenge

Compose and record an original piece of music! Songs can be instrumental, vocal, or both. Entries will be scored on originality and musicality.

Choose your challenge and enter to win prizes from our generous local business partners!

HOW CAN YOU HELP US?

Give the gift of learning!

Are you a local business? Get some great exposure and positive karma by sponsoring this event, by joining in the fun as a corporate team, or by donating prizes for the competition. We'd love to feature your gift cards, products, services - it's up to you! We are a 501(c)(3), so all donations are tax deductible.

About Fiddlehead:

We are a non-profit educational enrichment program for elementary students. At Fiddlehead, we have created a nurturing space where children are inspired to be scientists, artists and historians. We integrate all the STEAM subjects (Science, Technology, Engineering, Art and Math - and music!) to inspire and create.
